

The Waterways Museum is an ideal venue for group visits and offers a wide range of facilities and activities which are accessible and enjoyable to users. The Museum has two galleries with an extensive collection interpreting the Social history of the Port of Goole and traditional shipbuilding techniques with interactive displays. It enjoys a tranquil canal side setting and the Nature Trail runs alongside the Aire and Calder Navigation. The café is open all day and there is a picnic area outside. Buffets can be pre booked from a choice of menus.

The boats are wheelchair accessible and provide a perfect opportunity to enjoy a canal trip.
